Kennel Club Notes

The Pinehurst Kennel Club has just announced, informally, that the Second Annual Kennel Club Show will be held on April 7th and 8th. Entries close March 21st; it is desirable for all to enter their dogs promptly. From present indications the show will surpass that of last year, both in number of entries and quality. The Pinehurst shows have already become famous for the magnificent entries of bird dogs recorded every year.

The Club is fortunate in having secured the services of Mr. George F. Foley as Superintendent of the Show. Mr. Foley has a national reputation for handling affairs of this sort, and his presence not only lends prestige and dignity to the show, but assures the success of the undertaking.
