

Mildred Euretta Wins Swigert Cup

The Tin Whistles Keep Things Moving

As a fitting tribute to the memory of the late Colonel R. A. Swigert, one of the founders of the Pinehurst Jockey Club, the Annual Swigert Flat race was inaugurated last Wednesday afternoon before a crowd that taxed the grandstand capacity. Appropriately enough, this gathering witnessed one of the finest cards and enjoyed one of the best days of sport experienced at the track this winter. Although the weather was cloudy, the course was in very good condition which helped to lower two track records.

Wright began his string of victories when he brought Mildred Euretta home first in the Swigert Flat race for a purse of \$250.00 and the Swigert Cup. This event at one mile one-sixteenth brought out seven starters and out of the scramble shot Mildred Euretta, in quite her usual fashion, hugging the rail position and leading the pack by a length. Jockey Wright never took any chances with the mare, for he set a pace that was fast and furious. Call up on Molly O., Meyers on Algardi and His Nibbs with Wells up trailed along in the order named, while Melos, who has shown good speed in the steeplechase races, was far back all through the race. And in this order they flashed past the grandstand for the first time, and turned the corner as if there to stay. On the back stretch Mildred Euretta began to lag and gradually the gap that separated her from the rivals grew smaller; but about this time Wright came to an understanding with the mare and started a final spurt which seemed to shake all the ambition of the challengers and she came tearing down the home stretch and under the wire a winner by a good length. Call brought Molly O. home in second place, winning by a length from Algardi, who nosed out Uncle Sand, ridden by Lasses, for third place.

The pink ribbon, the purse and the applause of the crowd all went to Mittie Bedworth in the Class A. Harness race, who won the event quite handily from her old enemy, Princess Ingomar.

Without any preliminaries, Bonita Belle, owned and driven by Shepard, went to the fore in the first heat. After attaining a lead of five lengths or so, Shepard decided he was supreme and that there was only one horse in the race. Then appeared Mittie Bedworth, Eden's stiff legged mare, driven by Shinn, who startled the throng by overhauling Shepard and gaining a lead which assured her an easy win.

The second heat was more bitterly fought, but this time Shepard was left out entirely, the battle being between the old rivals, Princess Ingomar and Eden's mare. It was nip and tuck from start to finish, the Princess winning by a nose.

Princess Ingomar, having the pole in the third, set out like a flash for a triumphant victory, took the turn like fury, headed down the stretch and

broke. In a most genteel manner Mittie Bedworth passed the galloping Princess, being in turn chased by Bonita Belle, as the mare was out for a win and nothing could stop her.

Another track record was broken when Wright, up on Ray-O-Light, led a field of five sprinters home in the six furlong flat event in the most spectacular race of the day. Lasses up on Lyndonni and Atwell riding Joe Miller, led the way to the first turn, where Atwell went to the fore. At the beginning of the back stretch the brown and black colors could be seen slowly creeping up and soon he was close on the heels of the fast traveling Joe Miller. At the stretch turn Wright made a move with his mount that left him neck and neck with Atwell and then began a dead heat which was only settled a few yards from the tape, when Ray-O-Light ended the sensational spurt by crossing the line a winner, a short head in the lead. Time 1.14 2-5.

The final race of the afternoon, the steeplechase, was won by Little Horn, with Archibald up, from Disturber and Russian Pinion. All three were off to a good start, Little Horn setting the pace with Call up on Disturber in chase. The expected spurt soon came and Call drew Disturber up to the flanks of Little Horn and both gained the applause of the grandstand by clearing the hurdles in perfect and even strides. A few more jumps found Little Horn going to the fore and try as he did Call could not bring the Thomas' colors up again and Archibald rode the mare home for a clean win several yards in the lead.

Another track record was lowered when Miss Dwyer rode Winea in a trotting exhibition under saddle against the former record of 1.22, finishing in the very good time of 1.13 2-5. A few minutes before she led Miss Houck home in a match exhibition race, both events being feature specialties of the afternoon.

DURING THE INTERVAL between the St. Valentine's Tournament and the Spring Tournament the golf links lie prostrate beneath the march of the indefatigable brethren who gather at the Club House in answer to the merry call of the Tin Whistle, and the relentless battles of golfers wages fiercer than ever. On the February program was first, a Three Ball Match; second a Round Robin; and third, on the 21st the Sixteenth Anniversary Flag Contest. Surely it was a schedule to satisfy the most insatiate of our golf addicts. Lack of space, we regret, allows us to do nothing more than summarize the battles, when, of course, the subject is worthy of Homer and an epic.

In the Three Ball Match, held Feb. 9-12, the following veterans, aided and abetted by full handicaps, qualified as follows, 27 strong:

The prize for low net was awarded to W. L. Verlenden, Lansdown, with a score of 68, and, among the qualifiers, prize for low gross went to F. S. Danforth, North Fork, with a 78. Condolences were extended to Parker W. Whittemore, who, although he made a low gross of 77, failed to qualify when his plus 3 handicap gave him an 80. Nobody qualified over 78.

For those who failed to qualify a consolation Medal Play was run, under full handicap. Prize went to H. B. Swoope, Overbrook. Now that Mr. Swoope is playing in about the same figures as Mr. Statzell and Mr. R. C. Shannon, it will be well to keep an eye on him in the future. The following contestants made 80 or better in the consolation.

Match play was run off in three rounds on the six point system, full difference in handicap. The most interesting contest in the match play developed in the Second Round when H. H. Rackham, C. F.
