AIRPLANES COMING

A late dispatch from New York in-
forms us that a party of five airplanes
left Garden City Monday on a cross
country race to Florida and back.
These planes, in command of Captain
Simonin of Washington, D. C., are
training machines, equipped with ma-
chine guns. They are expected to land
in Pinehurst some time to-day. The
landing field in Pinehurst is recognized
by the War Department as being one of
the best in the South.

Townsend's Triplex

Rides over the uneven ground like a ship rides the waves

The Greatest Grass-cutter on Earth Cuts a Swath 86 Inches Wide

Drawn by one horse and operated
by one man, the TRIPLEX will mow
more lawn in a day than the best
motor mower ever made, and cut it
better and at a fraction of the cost.
Drawn by one horse and operated
by one man, it will mow more lawn

in a day than any three ordinary
horse-drawn mowers with three horses
and three men. Does not smash the
earth and plaster it in the mud in
Springtime, nor crush out its life
between hot rollers and hard, hot
ground in Summer as does the motor
mower.
