

AT THE ARTS AND CRAFTS SHOP

THERE IS on exhibition in the Arts and Crafts Room at the Carolina Hotel an artistically designed and mechanically constructed table, made from three varieties of wood, viz: mahogany, holly and black walnut.

The top of the table is an inlaid chess board, making it indeed a thing of beauty. Anyone desiring a souvenir of Pinehurst would do well to see this gem of art.

Topping the Ball

YOU can punish U. S. Golf Balls by the roughest kind of play. They are built for tough usage. Covers do not chip and the paint lasts. Moreover, the scientific methods of manufacture that govern the making of these balls insure their accuracy, balance and trueness. There's a size and weight to suit your individual need.

Buy them from your pro or at your dealer's.

U. S. Royal \$1.00 each
U. S. Revere 85c each
U. S. Floater 65c each

Keep your eye on the ball—be sure it's a U. S.
