

SHOT GUN POWDER FOR TRAPSHOOTING

For those who prefer a powder with less recoil, SCHULTZE "fills the bill."

Known as the "easy-on-the-shoulder" powder, it is not lacking in velocity, good pattern, and uniformity of behaviour. For the beginner at target shooting, SCHULTZE is the "real goods." Try a box of shells loaded with the popular, pleasant shooting SCHULTZE.

Your dealer has your favorite shell with a SCHULTZE load.
