Bunch Your Hits!

Give your gun a chance to show you what it can do! Don't be satisfied with an average score at the traps—or a hit-or-miss day in the field. Bunch your hits and keep 'em bunched by shooting shells loaded with Infallible or "E. C."

You can shoot these powders in your favorite shell, for any one of the 14 standard brands listed at the right can be bought loaded with

HERCULES
Smokeless Shotgun
POWDERS
INFALLIBLE "E. C."

These powders never vary. They will always burn free and clean, give high velocity with light recoil and uniformly even patterns.

The next time you buy loaded shells insist that they be loaded with a Hercules Smokeless Shotgun Powder. Look on the end of the box or on the top wad of the shell for the name Infallible or "E. C."
