## Electrical Manufacturers' Tournament

THE ELECTRICAL MANUFACTURERS' CLUB, which recently held its Annual Spring Meeting in Pinehurst, conducted a tournament for its members over the Number Three Course, after the manner of the Advertising Interests and the American Bankers' Association. As the April Tournament was in progress, the club was obliged to play on the hardest course in Pinehurst. There were about thirty members on hand and they qualified into three divisions of eight. The Medal for low score in the qualifying round went W. G. Carr, who went out in 47 and back in 46, for a total of 93, which was three strokes better than the figures of J. C. Belden, who made the journey in 46—50, 96.

In the first eight the semi-finalist matches were between J. C. Belden and S. B. Belden, and C. E. Patterson and A. W. Clark. J. C. Belden eliminated S. B. Belden, 3 and 2, and Patterson beat Clark, 4 and 3. The finals brought together Patterson and J. C. Belden, and in a close match Belden was defeated, 3 and 1. The Belden family were in the lime-light most of the time, for J. C. was runner up, and S. B. trimmed Carr, the medalist, 2 and 1.
