

# STEADY MAN

## Sole and Heel

**makes the most practical golf shoe**

The truncated cones on the sole are positioned precisely where the stance comes - - under the ball of the foot.

These cones prevent slipping. They grip the soil. They never tear the turf or green.

Lighter than ordinary 'spiked' shoes, they're thoroughly comfortable. Sewn to leather, Steady Man Soles and Heels do not "draw" the feet.

Unnecessary to change shoes for luncheon or between games. They do not disfigure rugs or floor.

Fine, too, for the tennis court, or yachting.

Easily attached to your friendly old shoes, at your repair shop. Ask your club "Pro" for them. Or, a line to us will ensure your getting them.

**The Stedman Products Company**
