THE MARCH AND APRIL SPORTS PROGRAM AT PINEHURST

A List of the Principal Events

The Pinehurst golf season, which opened earlier than usual, will continue well into May this year. The Carolina Hotel, for the first time in its history, will remain open until May 8th and the Executive Council of the American Bankers' Association has taken advantage of that fact to schedule its annual golf tournament at Pinehurst for the first week in May.

Several of the most important sports events of the season will be held during the first ten days of April. The annual Horse Show takes place on April 5-6 and is followed by the Dog Show on April 7-8. A Polo Tournament, in which the Sandhills Polo Club, now a member of the Polo Association, will meet several other southern clubs, will be held throughout the week beginning April 4. The North and South Open Golf Championship is scheduled for April 1-2 and the North and South Amateur Championship will be played April 4-9.

The third annual North and South Tennis Tournament, the official opening of the outdoor tennis season, will take up the week from April 11-16.

NOTE:—That the team that goes abroad will be composed of Americans in the spirit has been one of the first considerations of the P. G. A. Before becoming eligible for selection the foreign born players will have to prove to the satisfaction of the officials of the national body that he has resided not less than five years in the United States and that he has also made declaration of his intention to become a citizen, meaning that he has at least taken out first papers of citizenship.

While it is generally admitted that there are not more than a handful of Professionals in this Country qualified to win the British Open Championship, it is also true that the chances of some one of the headliners coming through will be enhanced materially if he feels that he is not shouldering the entire burden of the United States. The moral effect of numbers in such a conflict is great indeed and the more of their own friends that Barnes, Hagen, Diegel, Hutchinson, Brady and the others see around them the less like a foreign tournament will be the British Open, the premier Golf event of the world.—*Golf Illustrated, Inc., (Trustee of British Open Championship Fund) 425 Fifth Ave., New York.*

TOP DRESSING PUTTING GREENS

The old time compost pile made with manure, sand and soil is becoming obsolete and is being discarded by the majority of Golf Clubs in favor of Prepared Top Dressing which comes ready to apply. It takes two years before a compost pile is fit for use. It is costly, even when all the ingredients are at hand, and absolutely impracticable if they must be purchased. The labor of turning and screening is also expensive. The automobile has reduced the quantity and increased the price of manure. Manure is a carrier of disease germs and weed seeds. Shavings for bedding and strong disinfectants in stables, mean death to grass.

The Alphano Humus Company's corps of experts have made an intense study of this problem for many years. The result is, their Prepared Top Dressing for Putting Greens—a scientifically balanced grass food, inoculated with billions of Nitrogen gathering bacteria. It is delivered in the right condition for top dressing greens, just as unloaded from ear. The finest Putting Greens in America today owe their perfection to Prepared Top Dressing periodically applied with no interference with the play.

To be always positive that the grass seeds best adapted to the locality and climatic conditions are sown in connection with Prepared Top Dressing, to insure results certain of satisfaction, The Alphano Humus Company has effected selling arrangements with the largest grass seed exporters and importers of the world and can furnish grass seeds of the proper variety, of guaranteed purity and highest germination tests.

If you will write The Alphano Humus Company, 17 Battery Place, New York City for Circular "K," it will give you full particulars regarding their Golf Course Service, without obligation.
