

OLD GIBBS COMES TO LIFE SILVER FOILS CHAMPION

Uncle Sand Defeats the Speedy Lady Betty

Running in much improved form over his previous starts Old Gibbs, owned by Lee Folger and cleverly ridden by Lassus, took the band of jumpers into camp in the steeplechase event, the feature race of this week's meeting of the Jockey Club, and was an easy winner over the much heralded Ray-O'-Light and others.

Mrs. Leo Wanner's Pop Over set the early pace but stopped almost to a walk after the first turn of the field was made, and after Dick Biggs ran out on the approach to the third jump the race settled into a contest between the winner and Ray-O'-Light. The pair raced practically on even terms until the last jump had been made when the Peep-O'-Day representative tired under his steadying impost of 138 pounds and Old Gibbs drew out to a comfortable victory in the stretch run.

Nat Hurd's good horse, Uncle Sand, again demonstrated that he is invincible so far as the horses here are concerned when he conceded eight pounds to the speedy Lady Betty and gave her a sound beating in the six furlong event. It will be recalled that Lady Betty recently set a new track record for the five and half furlong distance. She went to the front with her usual early speed but was picked up by the winner on the back turn and after indulging in some fast sprinting for a quarter of a mile Uncle Sand drew out to a comfortable lead at the finish. The other flat race of the day went to Wasseon who defeated Joe Milner and His Nibbs.

Tom H., the pacer owned and driven by Jones, settled the dispute of long standing with Bingen Gentry and took both heats of the match race in succession. Zaquilla, owned and driven by Hayes, was best in the Class A. trot and won first money and the trophy in that event by taking the race in successive heats from Mike Kelly, Whipeord, and Miss Peter Toddington.

AMATEUR-PROFESSIONAL EXHIBITION MATCH

A large gallery turned out Sunday afternoon to witness a match in which Willie Wilson, the York Harbor-Pinehurst professional, and Emmet French, Youngstown-Southern Pines, won by 3 and 1 from Parker W. Whittemore, winner of the Spring tournament, and Charles Mothersele, the Mt. Kineo pro. French and Mothersele divided the medal score honors with 73 each. Whittemore had a 74. Wilson, who went around in 34-41-75, played the most sensational if not the steadiest golf of the round. He gathered in four birdies including two achieved on difficult holes with the aid of putts sunk from the edge of the green. French's 73 included two strokes lost when he drove into a pond.

SENATORS DEFEATED

Partnered with Donald Ross, Senator Kellogg of Minnesota, defeated Senators Hale of Maine and Freylinghuysen of New Jersey in a spirited 18 hole match on the Number 3 course on Monday last.

Mrs. Dorothy Campbell Hurd

Mrs. Hurd won this event the past two years. The former National and British champion was 2 strokes behind Mrs. J. Raymond Price of Pittsburg at the conclusion of the first day's play but overhauled the leader on the tenth green in the last round, played the remaining eight holes in 37 strokes and finished with a card of 45-41-86 as against 45-50-95 for Mrs. Price.

In the net score contest, Mrs. Jansen Noyes, handicap 18, won first prize with a net score of 159, two strokes ahead of Mrs. Price (8) at 161.

TIN WHISTLES' BANQUET

The annual banquet of the Tin Whistles was held at the Country Club on Tuesday evening last, and was attended by close to two hundred members and their guests. The occasion was presided over by the President, James Barber, and Rev. T. A. Cheatham officiated as toastmaster. The principal speeches were made by Professor D. W. Daniel of Clemson College, South Carolina, E. S. Fownes of Pittsburg, and Major Harold E. Porter (Holworthy Hall) who recited a poem written for the occasion entitled, "Eighty in the Club House and 104 on the Course." A number of the diners related entertaining stories and the feast was enjoyed to the tune of music by a colored quartette.
