**TOP DRESSING PUTTING GREENS**

The old time compost pile made with manure, sand and soil is becoming obsolete and is being discarded by the majority of Golf Clubs in favor of Prepared Top Dressing which comes ready to apply. It takes two years before a compost pile is fit for use. It is costly, even when all the ingredients are at hand, and absolutely impracticable if they must be purchased. The labor of turning and screening is also expensive. The automobile has reduced the quantity and increased the price of manure. Manure is a carrier of disease germs and weed seeds. Shavings for bedding and strong disinfectants in stables, mean death to grass.

The Alphano Humus Company's corps of experts have made an intense study of this problem for many years. The result is, their Prepared Top Dressing for Putting Greens—a scientifically balanced grass food, inoculated with billions of Nitrogen gathering bacteria. It is delivered in the right condition for top dressing greens, just as unloaded from car. The finest Putting Greens in America today owe their perfection to Prepared Top Dressing periodically applied with no interference with the play.

To be always positive that the grass seeds best adapted to the locality and climatic conditions are sown in connection with Prepared Top Dressing, to insure results certain of satisfaction, The Alphano Humus Company has effected selling arrangements with the largest grass seed exporters and importers of the world and can furnish grass seeds of the proper variety, of guaranteed purity and highest germination tests.

If you will write The Alphano Humus Company, 17 Battery Place, New York City for Circular "K," it will give you full particulars regarding their Golf Course Service, without obligation.

**THE MARCH AND APRIL SPORTS PROGRAM AT PINEHURST**

**A List of the Principal Events**

The Pinehurst golf season, which opened earlier than usual, will continue well into May this year. The Carolina Hotel, for the first time in its history, will remain open until May 8th and the Executive Council of the American Bankers' Association has taken advantage of that fact to schedule its annual golf tournament at Pinehurst for the first week in May.

Several of the most important sports events of the season will be held during the first ten days of April. The annual Horse Show takes place on April 5-6 and is followed by the Dog Show on April 7-8. A Polo Tournament, in which the Sandhills Polo Club, now a member of the Polo Association, will meet several other southern clubs, will be held throughout the week beginning April 4. The North and South Open Golf Championship is scheduled for April 1-2 and the North and South Amateur Championship will be played April 4-9.

The third annual North and South Tennis Tournament, the official opening of the outdoor tennis season, will take up the week from April 11-16.

|---|---|
| DOG SHOW  | stood pat on his team, other managers have been adding strength during the off season.  |
| April 7,8. Third annual A. K. C. Show of the Pinehurst Kennel Club. Entries close March 21. Extended date, March 24.                              | Picking winners on the diamond is just about dependable as picking them on the turf—a hit once in a while is a good average.  |
| HORSE SHOW  | The same Uncle Wilbert Robinson probably was thinking of this recently when he said:  |
| April 5,6. Fourth annual Pinehurst Horse Show.  | "You go ahead and dope out the pennant race, I prefer to play it."  |
| RACES   | However, in fifty per cent. of the cases, baseball runs true to form. Last year, the National League race went against the dope but the American League followed it almost to a line.   |
| March 30. Fourth annual Spring Steeple Chase and Flat Race.   | The National League, of course, can be divided into two groups,—contenders and non-contenders.  |
| April 6. North and South Harness Race.  | Only three clubs at this early date appear to be in the first class,—Brooklyn, New York and Pittsburgh.   |
| April 13. Mid-April Steeple Chase.  | Of that trio New York looks to be best with the Pirates second and the Robins third.  |
| April 20. Second annual April Harness Race.   | The Giants ought to win the pennant. If Goldie Rapp makes good for the infield and McGraw is able to land a more reliable centerfielder than Benny Kauff or King, he ought to walk away with the pennant.   |
| POLO  | After a slump until midsummer, with the pitchers out of condition and a fragile infield, the Giants chased the Robins clear to the wire last year.  |
| April 4-9. First annual Polo Tournament.  | The club is stronger this year, should start stronger and finish stronger.  |
| TRAPSHOOTING  | Rabbitt Maranville will make a pennant contender out of the Pittsburgh Pirates. George Gibson sacrificed some batting strength and some powerful outfield talent to get him but there is plenty left. The Pirates look awfully good for the race, but not enough to nose out the Giants.  |
| April 18-23. Fourth annual North and South Amateur Target Tournament, North and South Team Race and North Carolina State Championship Tournament. | Brooklyn has the best pitching staff in the major league. It may even be stronger with Reuther in the fold, but the club is no better than it was last year and everyone excepting the residents of Flatbush admit that the Ebberth crowd was rather lucky last year. The Cincinnati Reds appear to be shot. Pat Moran wrecked his club to get rid of some disturbers. With a recruit, Bohne, on second base and the light hitting Crane in right field, the club will not be as strong as it was last year. There may be better morale on the club with Reuther, Ring, Rath and Neale gone, but morale will not go it alone. |
| TENNIS  |   |
| April 11-16. Third annual North and South Tennis Tournament.  |   |
| GOLF  |   |
| March 25-30. Nineteenth annual North and South Championship Tournament for Women.   |   |
| April 1,2. Nineteenth annual North and South Open Championship.   |   |
| April 4-9. Twenty-first annual North and South Amateur Championship.  |   |
| April 12-16. Eleventh annual Mid-April Tournament.  |   |
| May 2-7. Annual Tournament of the Executive Council of the American Bankers' Association.   |   |

**GIANTS LOOK LIKE BEST BET IN NATIONAL LEAGUE RACE**

(United Press Staff Correspondent)  
 NEW YORK.—Since 1913, when Jawn J. McGraw copped his third pennant in a row, no National League manager has headed a winner twice consecutively. Uncle Wilbert Robinson can do a lot of things with ball players, but there is not enough around his Brooklyn Club to justify the belief that he will break the precedent. True, he has the same club, man for man, excepting Rube Marquard, that won the 1920 honors, but while he has
