

# Gorham Sterling Silver Trophies

The Fitting Tribute to Skill

A SILVER cup—to have and to hold through all the years—an everlasting reminder of great triumphs won.

In athletic sports, as in other forms of competition, silver is the accepted standard for acknowledgement of deeds well done.

Whether in the trophy room of a club, or in the dining room or den of a well-appointed home, it is the treasured symbol of permanency, good taste, and refinement.

Gorham Sterling Silverware is sold by leading jewelers everywhere, and in Pinehurst at "The Jewelry Store"

## AN HOUR OF MUSIC

Dr. Edward M. Westbrook will give an hour of music in the lobby of the Carolina on Friday evening from nine to ten o'clock.

Dr. Westbrook has been a successful teacher for more than twenty-five years, and was a church organist nine years. He is a winter resident of Southern Pines and has carefully prepared a Recital which he will give in the North in the near future.

One of the novelties on the program will be the second Hungarian march by Liszt entitled, "Storm March." This number is not being played by any of the pianists now before the public. Another novelty will be one of Dr. Westbrook's compositions, not yet published, entitled "Forest Echoes" (Valse De Salon). As Dr. Westbrook is specially interested in school work having been the director of a School of Music for a number of years, there will be an offering taken for the benefit of the Farm Life School.

Your visit to Pinehurst is not complete without seeing the Dairy.
