NOTICE

Mrs. Leo F. F. Wanner is donating a Police Dog Puppy to be raffled at the Dog Show for the benefit of the James McConnell Hospital. Chances are sold at \$5.00 and can be secured of Mrs. Wanner or Mrs. Waring or at the Carolina Hotel.

Friends of Mr. and Mrs. F. Clare Boustead will be interested to know that they will spend the months of May, June, September and October at the Briarcliff Lodge, Briarcliff Manor, N. Y., and will be at the Wentworth Hotel, New Castle, N. H. during July and August.

The reform blight has fallen upon the liberties of Paraguayan women, according to Mrs. Harriet Chalmers Adams, just returned from South America. Asuncion, the capital, has forbidden women to smoke in public. The blow was particularly heavy, Mr. Adams said, because Paraguayan ladies are confirmed cigar smokers.

AMERICAN BANKERS' CONVENTION, MAY 1-7

Reservations have been made for some 300 members of the American Bankers' Association who will gather at the Carolina Hotel during the week of May 1 to 7 for their annual convention, and with the members of their families who will accompany them it is likely that close to 400 people will be in the party.

The bankers held their convention here in April last year and were so impressed with that particular time at Pinehurst that they selected a date as near then as possible. Pinehurst habitues are fast realizing that the late season offers the most delightful vacation time of any. The bankers come from every state in the United States. A large number of them will assemble at Chicago from which place special through trains to Pinehurst will be run for their convenience. In addition to their regular association golf tournament and special golfing events, there will be special programs of racing, shooting, theatres, canoe trips on the Lumbee River, and every feature of Pinehurst amusements will be kept open in full blast until after the Carolina closes.

GRAIN MARKETING PLAN

Farmers' representatives from all the grain growing states will meet in Chicago April 6 for the purpose of ratifying or rejecting the grain marketing plan evolved by the Farmers' Marketing Committee of Seventeen. Each state will have one delegate for each \$15,000,000 worth of grain marketed during the last ten years.

A number of organizations, including a national wheat growers' association in the southwest have attacked various features of the committee's proposed system on the theory that it will take years to develop the giant marketing structure to a point where it can replace the present system under which hogging is possible.

Other agriculturalists say the pooling plan may throw the entire system open to charges from consumers of violating the anti-trust laws by attempting to fix prices.

"It is not the desire of farmers to form a grain trust," said Clifford Thorne, counsel for the committee, in discussing this phase. "We recognize the dangers involved, but I anticipate no serious difficulties along that line. Unfair price fixing by farmers might defeat the farmers themselves, by encouraging overproduction."

SONG RECITAL, CAROLINA APRIL 3

A song recital will be given at 8:30 on Sunday evening, April 3, in the ballroom of the Carolina Hotel by Mrs. Frederick Guthrie Cunningham of Rye, N. Y., assisted by the Carolina Orchestra for the benefit of the Community House. Mrs. Cunningham will be remembered as Miss Hazel Treat and will be warmly welcomed by her many friends who have heard her in concert before. A collection will be taken for the benefit of the Community House.
