**JOE MILNER TAKES THE
FEATURE**

The feature race of the Jockey Club's weekly meeting on Saturday last was a sprint over the five and half furlong journey and brought out some of the best horses here.

Joe Milner, running in the colors of little Miss Helen Waring and ridden by Call, showed a sparkling performance in this event and accounted for first money over Troben, Bay Leaf and Lida of Earl. Bay Leaf had the early foot of the field and set a sizzling pace to the first turn with Troben following closely in second place and Joe Milner squeezed in behind. As the field swung around the first turn Troben ran a trifle wide and Call, quick to take advantage of the situation, shot his mount through the opening and was soon two lengths ahead of his field. Going down the back stretch Troben disposed of Bay Leaf and set sail for the flying leader, but of no avail for Joe was in a running mood and breezed on past the Judge's eye with speed to spare. Troben saved the place and Bay Leaf took the short end of the purse.

Lee Folger uncovered a good one in the six furlong dash when his Old Gibb took the measure of a shifty band of sprinters in that number. The Folger gelding took the track with the fall of the flag and was winging all the way, winning by several lengths, pulled up. Mrs. Leo F. F. Wanner's entry, Mary's Magneto and True as Steel, finished second and third in this event and Mary's Best was the outsider.

One of the prettiest races of the day and one of the best seen here in some time was the match race between Henry B. Swoope's Wasseon and C. C. Coddington's Dartworth. The latter had a shade the best of the break by reason of Lassies alertness at the post, but the Swoope representative was soon on even terms and from then on the pair raced as a team. Both riders had steady holds on their mounts until run for home was reached where they set them down to a gruelling stretch drive, Wasseon finally forging his head to the front. Wasseon is holder of the 1:00 2-5 record for five furlongs at Pinehurst, and it has not been many years since Dartworth was cleaning up everything in sight on the big tracks and was considered one of the best horses in training.

In the harness division of the afternoon's sport, J. C. Thomas drove Red Line to victory in successive heats in the Class B. pace, working his way through the field and coming from behind in each instance. The Class A. trot went to Binland, owned and driven by Sebree. Laddie Boy finished second here and Longwood took third money.

Numerous specialties were held between races including a tilting contest which was won by Jack Latting. Mr. Latting's team also won the prize in the potato race. The Christmas races will be held on Monday of next week instead of Saturday this week.

**SAND HILL POLO TEAM
DEFEATS CAMP BRAGG**

After holding the local team scoreless for two successive chukkas and despite the brilliant playing of Major C. B. King for the military team, the Sand Hill Polo club triumphed over the team from Camp Bragg by 12 goals to 4 in the first annual Christmas Polo tournament, played on the Number One field at Pinehurst on Wednesday of this week. One of the outstanding features of the game was a spectacular run the entire length of the field for a goal by Major King, who scored two of the visitors four goals. Camp Bragg's other two goals came by virtue of a score by Major C. L. Clark and one goal by handicap. John A. Tuckerman played a particularly fine game for the Sand Hill team and scored four of the goals credited to the winners, as did F. W. Haserick, a former member of the Camden team, who likewise scored four goals. W. V. Slocock scored two, and Captain A. Loftus Bryan gave his team strong support and scored two goals himself.

Eight chukkas of seven and a half minutes each were played.

On Friday of this week three teams consisting of Camp Bragg, the Visitors team and the Sand Hill team will participate in a Round Robin.

The line-up was:

Camp Bragg

- Major C. B. King

- Major F. W. Bowley

Back—Lt. Col. C. R. Norton
