BANK OF PINEHURST

WANTS TO HELP MOORE COUNTY

That was its purpose when it was established. That has been its constant ambition. Moore county industries are calling for capital. But always those communities thrive best that help themselves.

Men who would like to use money in Sandhills industries come every day to the bank for loans. The banks can loan only what money they have and they have what the depositors provide.

If you are willing to help the banks to help the development of the neighborhood get into the bank every available dollar you have. Money that is loafing in these days when capital is needed is not doing its share. Get your idle dollars at work.

The Bank of Pinehurst

Will see that money begins to do something for the county welfare if you bring the idle dollar.
