

GOLFERS

Tennis, Base Ball and Foot Ball Players use

ALLEN'S FOOT-EASE

The Antiseptic Powder to shake into the shoes, because it takes the friction from the shoe, freshens the feet and makes walking a delight.

Shake Allen's Foot-Ease into your shoes before going on the links and notice the difference in your comfort, which often affects your score.

The Government supplied 1,500,000 lbs. of Powder for the Feet to the troops during the war. In a pinch, use Allen's Foot-Ease. At dealers everywhere.
