## MISS ELIZABETH GORDON WINS ST VALENTINE'S

### Mrs. Joseph Bydolek Runner-up

Miss Elizabeth Gordon of the Metacomet Golf Club, Providence, made a clean sweep in the annual St. Valentine's tournament for women by winning the medal in the qualifying round and following this with a 3 and 2 victory over Mrs. Joseph Bydolek of Buffalo, in the final round of match play.

Miss Gordon is recognized as one of the country's leading women golfers, having been five times winner of the Rhode Island state championship, was runner-up to Miss Harriet Curtis for the Boston district title last summer and qualified in the national event at Shawnee.

The St. Valentine's brought together a field of five divisions of eight players each for match play rounds, and competition in the lower flights which were composed of higher handicap players, was quite as keen as in the first eight, even if the medal scores were not as low.

The qualifying round resulted with all the favorites finishing in the first eight. Miss Gordon's medal card was 48-46-94, and Mrs. John D. Chapman, winner of the medal in the Mid-winter tournament, finished second with a score of 49-48-97. Mrs. Bydolek was third with 100. The highest score to get into the first eight was 109.

An unusual feature of the tournament was the fact that a large number of the players wore knickerbockers, and the women golfers are unanimously of the opinion that knickers will be very generally worn in golfing events in the North this summer.

Miss Gordon did not have an easy time in winning any of her matches. She met Mrs. Charles Mothersele in the first round and was returned the winner only after a closely contested match. Miss Gordon then played Mrs. Donald Parson and again won by a narrow margin. Mrs. Parson was around in 92, which is a fine score and indicates that she is keeping pace with her husband in playing golf.

In her match with Miss Gordon in the final, Mrs. Bydolek was off to a flying start by sinking long putts for 4's at the first and second holes, and Miss Gordon had to put forth her best golf to overcome this early lead. She made the turn two down but squared the match by winning the tenth and eleventh holes. She lost the twelfth, squared the match again at the thirteenth and went into the lead for the first time by winning the fourteenth. Miss Gordon then took the fif-

tenth and sixteenth, ending the match. The bye holes were played and Miss Gordon had a medal round of 86 as against 88 for Mrs. Bydolek.

## A. T. ROBERTS WINS IN TIN WHISTLE EVENT

### Under H. H. System

The Tin Whistles' Par and Bogey tournament played under the H. H. system on Friday last resulted in a victory for Capt. A. T. Roberts of Melrose, Scotland, who finished with 62 points to his credit. Donald Parson was the next high man, at 61, three points ahead of John D. Chapman, 58, who led the remainder of the field in the Class A division.

This event was originated by Major Harold E. Porter (Holworthy Hall) and is one of the most unique and entertaining affairs on the Tin Whistles' schedule. Points are awarded on the basis of ten for an eagle, two under par, par plus one point for a birdie, one under par, the par figure for a hole played in par, and par minus one point for a hole played in bogey.

The field was divided into four divisions. R. H. Hunt led his field in the second division, while S. H. Patterson and Charles Z. Eddy accounted for the prizes in Class C and D respectively.

The number of points gained by each player were as follows:
