Cafe des Invalides

Compounded

This compound is not all coffee, but contains about seven-eighths coffee, of the finest grades, blended with vegetable substances, which have been found to render it more healthful than pure coffee, in that it does not produce nervousness or wakefulness.

"CAFE DES INVALIDES" does not produce the usual effects.

Yet "CAFE DES INVALIDES" pleases the most critical coffee connoisseurs.

LEGION MINSTRELS

(Continued from Page 11)

have at last gone most too far for Mister Interlocutor as he was seen to have a wagon whip with him the last time they went into their secret den for rehearsal. Harmony quartettes and darky melodies combine to make the musical end of the show listenable.

Admission tickets at \$2.00 per will be on sale at the Livery desk in the Carolina or at the Pinehurst Drug Store. Ask any Legion man or Red Cross worker about them. The funds derived from the show are for the benefit of the Legion Building and Help Fund.
