

# ARNOLD GLOVE-GRIP SHOES

**They raise the arches of your feet instead of pushing them down**

"AND what does that mean?" you wonder. It means comfort. Comfort such as you never imagined possible. Comfort that starts from the first moment you put them on. Comfort that results from the feet being supported in their natural, normal position. Nature's comfort!

Arnold Glove Grip Shoes are for all normal feet. In their outward appearance they do not differ from other fine shoes. The secret of comfort is found in the *patented* Glove Grip feature—a secret that has brought lasting comfort to thousands of men and women who know these shoes.

Drop in and see the many new styles in Glove Grip Shoes for men and women. Let us *demonstrate* the wonderful Glove Grip feature. There will be no obligation to purchase.

## Gentlemen, LISTEN!

YOU KNOW the fine home section that has built up on both sides of the Carolina Vista.

YOU KNOW that to permit a place for the overflow from that section another area, that on both sides of the Linden Road, had to be opened.

YOU KNOW the fine home section that has quickly grown up there.

BUT STILL another section had to be provided to meet the continued expansion, and this week another unit has been opened to the north of the Carolina, and some who have looked it over say it is the pick of Pinehurst. South, West and North—three long avenues leading from the country to the Carolina. Three attractive centers for home-making.

A man who has never attended guessing school a week in all his life can tell that that section north of the Carolina is going to be a scene of activity for the next year or two.
