THE MID-APRIL SHOOT

(Continued from Page 5)

the second shoot-off, as against 19 for Norwood Johnston of Pittsburg and 18 for A. W. Montgomery, the Spartanburg novice.

When the smoke of Tuesday's last shot cleared away it was found that Morson had won the 400-target race with a total of 368, three birds ahead of his brother-in-law, John Lindsay Morehead, who had contented himself with occasional class trophies in the four contests, but who had climbed slowly into second place with 365.

The money winners in the 400-target race were:

H. A. Morson.....	368
J. L. Morehead.....	365
Col. J. M. Morehead.....	363
U. R. Brooks.....	363
B. V. Covert.....	361

Further, Morson and the two Moreheads, leading Southern gunners, led the Northern team by a margin of five birds at the conclusion of Tuesday's first 100 targets in the sectional contest. They had a total of 283-300 as against an aggregate of 278-300 amassed for the North by Martin McVoy, Jr., B. V. Covert and Norwood Johnston.

Morson and the younger Morehead did their poorest shooting of the tournament in Wednesday's final 100 of the sectional team contest, but Colonel John not only held on, but finished at the top of the victorious Southern team, two targets ahead of his nearest Southern colleague, U. R. Brooks, and three birds ahead of the nearest Yankee, B. V. Covert.

STATE CHAMPIONSHIP

L. P. Hazel of Durham, relatively a newcomer in the trapshooting game, monopolized most of the limelight in the North Carolina State championship.

Hazel won the State amateur title with a total of 89-92—181 out of the 200 16-yard targets shot at in the title event; divided first money with H. F. Walls of Wilson in the North Carolina handicap, and won the 400 target high average race with a total of 353, outshooting the field by a margin of four birds.

Fred Washington of Wilson, won the State doubles championship with 36 breaks out of twenty pairs, although he was outshot in this event by two outsiders, U. R. Brooks of Columbia, S. C., and Martin McVoy, Jr., of New York, who accounted for 37.

McVoy started the day by annexing the high gun honors in the final session of the State title event with 93 breaks, and was then only two birds from the top in 400-target race with a total of 265 out of 300 16-yard and handicap distance events. Shooting in the North Carolina Handicap at the close of the day McVoy disposed of only 80 from the 20-yard mark, and dropped back into a tie for sixth place at the finish with an aggregate of 345.

The leaders in the 400-target high average race were: L. P. Hazel, 353; H. F. Walls, 349; J. Motley Morehead,

THE CADDIE

BY EDGAR A. GUEST

It was a little caddie boy who said to me in shame:

"I've beaten many a man at golf, and never won a game."

"You've beaten many a man," said I, "and yet you say to me

You've never won a single game? That surely cannot be."

"I beat my man today," said he. "At least he swore I did;

He dubbed three shots on Number Seven, and said: 'Confound you, kid!

I wish you wouldn't stand so near when I am set to play;

I've told you now a dozen times to Keep out of my way.'

"Three years I've caddied at the club and twice a week or more

I've had to tote the losers' bags and always they were sore

And always they have made it plain upon the eighteenth tee

That they'd have won the game hands down if it hadn't been for me.

"It seems I always beat the man who plays a rotten game,

And every time he dubs a shot I have to take the blame;

But when that fellow wins a match he's proud as he can be

And takes the credit all himself and never mentions me."

347; U. R. Brooks, 346; A. W. Montgomery, 346; Martin McVoy, Jr., 345; H. A. Morson, 345; Hugh E. White, 345, and W. S. Morris, 345.

CONSOLATION HANDICAP

The shoot came to a close on Saturday with the shooting of the Consolation handicap and a special hundred event at sixteen yards.

H. A. Morson made a clean sweep in the day's shooting, winning the Consolation with 84 breaks from the 21-yard line, the maximum distance of the field, and the sixteen-yard event with 92 breaks. These additional wins placed Morson as high gun in the eight-hundred target race.

Leaders in the 800-target race were:

H. A. Morson.....	713
J. M. Morehead.....	710
J. L. Morehead.....	708
U. R. Brooks.....	707
A. W. Montgomery.....	695
B. V. Covert.....	690
J. H. Dreher.....	685
Isaac Andrews.....	683
