4000 Tests—But No "Kicks"

Over 4000 golfers, dissatisfied with the balls they were using, accepted our advertising offer and wrote for a Burke "30" free to test.

No adverse criticism has been received from these golfers—proof that the Burke "30" performs according to promise.

Next time say "I'll try Burke 30's today,"—it is the ball you're looking for.
