Keating went out in 37 against Maxwell and defeated him 2 and 1, while Munro, who will oppose Chapman in the semi-finals, staged a 20-hole battle with H. J. Blue and came through victorious. Blue was 2 down at the turn. He was still 2 down at the sixteenth but won the last two holes and, halving the nineteenth, went on to the twentieth hole to decide the match.

The summary and results of other divisions through the second round of match play follow:
