One of the Advantages  
 At Knollwood Village

is that building locations are  
 acreage size and acreage price

- ☐ Look at the map. Some over an acre. Some under an acre. All big enough for a home location. 150 feet or more front. Many 200 or more. Big as half dozen to a dozen town lots.
- ☐ This is a pretty good time to build—before material and labor get too high again. At this season contractors are ready to figure with you.
- ☐ A few lots left yet, and only a few, at the hilltop on the Midland road between Crest road and Carthage road. Don't be sorry some day that some one else got them away from you.
