Judge Way Never Attended Guessing School He Is Not a Guesser— He Is a Prophet

¶ A guesser is a guesser. A prophet deals with facts. The Judge predicts that before any one now living is as old as Methuseleh, the country from Pinehurst to Knollwood Village will be a succession of golf courses. The Judge always weighs the evidence. That is why he was a successful judge, and that is what makes a prophet.

¶ Already there are more golf courses in the Knollwood area, counting Pinehurst, Knollwood Village and Southern Pines, than in any other community on earth, and the trouble with this area is that the links are today crowded.

¶ So the Prophecy—

Knollwood Village will be surrounded by golf courses.

Knollwood Village will be the home of hundreds of golf enthusiasts and the most attractive village in North Carolina.
