## 4000 Tests—But No "Kicks"

Over 4000 golfers, dissatisfied with the balls they were using, accepted our advertising offer and wrote for a Burke "30" free to test.

No adverse criticism has been received from these golfers—proof that the Burke "30" performs according to promise.

*Next time say "I'll try Burke 30's today,"—it is the ball you're looking for.*
