Get a Building Lot, and  
Get Your House Started

THIS IS THE TIME TO BUILD

☐ Wages and material are going up. Arrange for your work before things get where they scare you.

☐ The country is on the up-grade of another business revival, and the man who expects to buy wants to beat the peak.

☐ A house built this spring on a lot bought now, will be worth money a year or two from now when everything is hitting only the high spots.
