

WHATEVER service you expect of a bank any place, you may expect of the Bank of Pinehurst.

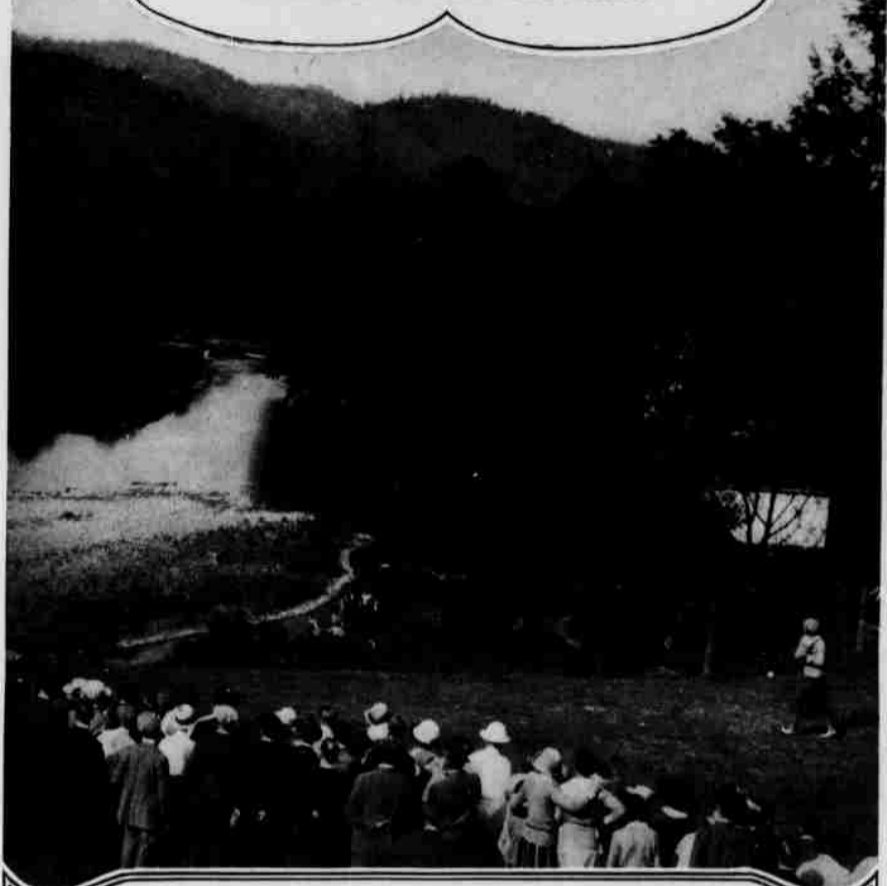

It was organized to be a little different from the ordinary local bank, for it was designed to serve a community different from the ordinary community.

That is why it has the strong vaults, the roomy safe deposit boxes, the expert accountant, the public stenographer, the various things that you are accustomed to in your bank any place.

While you stay in Pinehurst make yourself at home at

WHY?

Obviously, to make yourself *externally* clean and wholesome. For the same reason do you need ENO'S "FRUIT SALT" to cleanse *internally*—to overcome deranged digestion, stimulate healthy appetite, gently stir the liver and organs of elimination to properly natural activity.

This clean-tasting, cooling, refreshing drink, taken every morning on arising, assures successive days of pleasure and tireless activity—possible only with a healthy, *internally clean body*.

No matter where you are, have ENO always handy.

At all druggists, "Handy Size" .75c; "Household Size" containing twice the quantity \$1.25

Prepared Only By J. C. ENO, Ltd., London, S. E. 14, England
