Ever Notice

That Fine New Road

LEADING OUT FROM KNOLLWOOD VILLAGE TOWARD CARTHAGE?

¶ It opens a magnificent ridge that is prophetic of what one of these days is to be an overflow of Knollwood Village.

¶ Look at the new road that has been built from Knollwood Village to Southern Pines past Judge Way's house. Over there will be another attractive addition to the village.

¶ In all directions Knollwood Village has a wonderful territory on the immediate outside. That is one of the greatest features of any community—the surrounding neighborhood. For all that will be settled before long, and all will be a part of the community.

¶ Knollwood Village is going to grow, and as it grows it will grow right. That is of the greatest importance.

Consider these things before you go away. The lot you like best may be gone when you come again.
