## When at Pinehurst Play the Pinehurst

**W**HEREVER Golf is played the New Wilson Pinehurst Ball is making friends. Introduced at the National Open Championship and winning the Metropolitan Open a few days later it immediately became the sensation of the year.

Tee up a Pinehurst and join the ranks of the "Distance Getters"

## Knollwood Village

### In the Heart of Development

☐ This year Southern Pines, on the east, has finished a \$60,000 school house. Pinehurst, on the west, has built a \$60,000 school house. Aberdeen, on the south, has built a \$75,000 school house.

### Why?

*Because the population is crowding in, and expansion on a big scale is imperative in all directions immediately surrounding Knollwood Village.*

☐ Nothing tells more emphatically the future of any community than the increased requirement of school facilities.

☐ When you see school houses multiply, you see a good place to live or to invest your money.

*Some good lots on the hill at Knollwood*
