TREMONT COR. BOYLSTON

NEWPORT
220 BELLEVUE AVENUE

To the 19th hole and as lively as ever

You take approximately 7,000 steps to a round of 18 holes. The right kind of golf shoes will increase your endurance and keep you "alive" and "on your toes" every step of the way.

Cantilever Golf Shoes for Men

With the Imported Crepe-Rubber Sole

Perfect flexibility, with support and snug fit around arch and heel, makes for utmost comfort. The toes are left entirely free, no chance of crowding because your foot is held in position around the arch and heel. Your stance is therefore better, your swing surer.

Imported crepe rubber soles that grip the turf and ground in dry or wet weather and are welcome on putting green or in club house.
