

KNOLLWOOD HEIGHTS

The Community of Good Neighbors

Knollwood Heights is that ridge of ground rising above the Pine Needles Inn at Knollwood. It is a community of desirable neighbors who have been establishing for themselves winter homes of the highest type, where they may enjoy the facilities for recreation and rest afforded by the Pine Needles center, and by those other surrounding playgrounds at Pinehurst, Southern Pines and adjacent territory.

Knollwood Heights was Planned with a Purpose

It is created along intelligent designs that are definite. It didn't happen. It is an engineering project. Its development was thought out in advance. Knollwood Home Making has advanced to such a state that its aims are clear and its accomplishments are certain.

Every home in Knollwood Heights is near enough to the golf courses to be its own club house. The fairways are a park system that give added value to the residences. Knollwood Heights invites inspection, and is worth it.

For a location for a home see KNOLLWOOD INCORPORATED, Pinehurst, N. C., or any Accredited Real Estate Agent in Pinehurst or Southern Pines.
