

Unit Is Cited Nat. Guard

WOODLAND - Company B, 4th Battalion, 119th Infantry North Carolina National Guard of Roanoke Rapids and Woodland received the highest grade on summer training in the battalion and Second Brigade.

Company B participated in the two weeks of training at Ft. Bragg June 6-20, along with other North Carolina National Guardsmen.

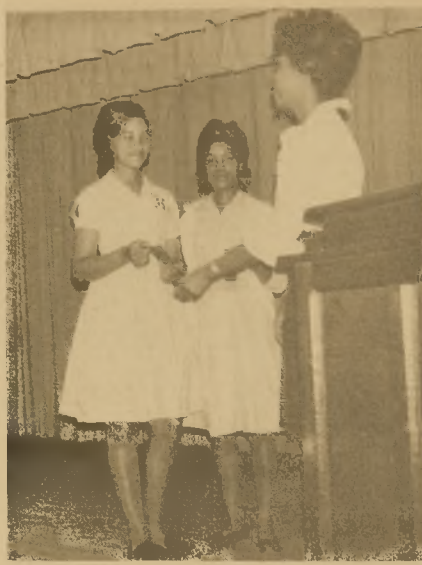

Lt. Col. Herbert D. Parker, battalion commander, reported "Co. B is to be congratulated for receiving not only the highest grade in this Battalion, but also the highest grade in the Brigade."

"This reflects very favorably on the officers and men of Company B. It gives me great pleasure to commend the company for a good job well done."

Roanoke Rapids, which is headquarters for Woodland, has the headquarters section, a rifle platoon and weapons platoon. Woodland has one rifle platoon. Captain Calvin T. Draper of Jackson is the company commander.

Other winners were: Red ribbons, Jeannette German and Edna Wilkins, second place, fruit and vegetable use, Jackson 4-H Club; Helen Richardson and Naomi Ward, 2nd place, dairy foods, Rich Square Club; Maudie Mitchell, senior 2nd place, dress revue, Potocasi 4-H Club; Barbara Casterlow, Jr., second place, dress revue, Rich Square 4-H Club.

First place winners for boys were: Blue ribbon - Vernon Hamilton and Nicholas Harvey in vegetable production, Rich Square 4-H Club; John Forrest and Don-

aid Stancill in cotton, Galatia 4-H Club.

Judging the girls' demonstrations were: Mrs. Clarice Hawkins, Home Economics teacher at W. S. Creech School (dress revue) and Miss Merietta Smallwood, Home Economics Extension agent, Bertie County (Vegetable and dairy foods), L. J. Morris, agricultural teacher at Willis Hare School, judged the boys' demonstrations.

Leaders and parents present at the elimination were: Mrs. R. M. Stancill, Mrs. Lucille Alston, Mrs. Bertha Deloatch, Mrs. N. R. Forrest, Mrs. Ola Murph, Mrs. Clara Hamilton, and Mrs. Mitchell.

District elimination day was held in Oxford. Participating in the district were: Diane Pierce, Helen Joyner and Cecelia Joyner who won first place in the district junior dairy foods elimination and received a green ribbon plus a 4-H Club Week scholarship to Greensboro to participate in the state elimination.

"Piles" of Support

More than 410 miles of piling were driven into the ground at Merritt Island, Fla., to support NASA's 525-foot Vertical Assembly Building which will be used to assemble Saturn V rockets.

Mrs. H. T. Vick Services Sunday

FRANKLIN - Mrs. Lucy Lewter Vick, 61, died Friday in a hospital.

A native of Northampton County, she was a daughter of Wiley and Mrs. Addie Beale Lewter and the wife of Hugh Thomas Vick. She was a member of Church of God.

Besides her husband, she is survived by four daughters, Mrs. Kay Warren Piccolo of Philadelphia, Mrs. Effie Clark of Windsor, Mrs. Addie Turner of Franklin and Mrs. Shirley Johnson of Branchville; two sons, Hugh T. Vick, Jr., of Franklin and Clarence C. Vick of Gastonia; a sister, Mrs. Mable L. Grizzard of Emporia; and six brothers, Clifton Lewter of Pendleton, John Lewter of Murfreesboro, Bennie Lewter of Columbia, S. C., Earl Lewter of Fredericksburg, Clyde Lewter of Halifax and Joe Lewter of Jacksonville.

Funeral services were held Monday at 4 p.m. in W. J. M. Holland & Sons Funeral Home. Burial was in Southampton Memorial Park.

Heavy Roadwork

The roadway for the Crawler-Transporter which will carry the Saturn V and Apollo spacecraft at NASA's Merritt Island Launch Area in Florida will be almost seven feet thick.

Magnified leaf cross section. Insect sucks up Bidrin with plant juices. This systemic action - keeps working 7 to 14 days.

AMBUSH:

New Bidrin lies in wait inside cotton - kills thrips, aphids, mites, fleahoppers - wherever they attack

BIDRIN[®] Insecticide kills cotton pests with contact action. Then, systemic action takes over, keeps working 7 to 14 days.

Bidrin kills major cotton insects including weevils and worms on contact. Bidrin then enters and spreads through cotton plants, makes them deadly to thrips, aphids, fleahoppers, lygus, mites.

Bidrin is weather resistant. Once inside cotton, rain can't wash it off. Sun can't break it down. And Bidrin is economical. Its long-lasting action means fewer sprays.

We have Bidrin, come on in today.
