Mid-term examinations on January 14, 17, 18 have moved the Club Day from the second Thursday in January to January 20, the third Thursday. On that day all clubs and classes except Student Council will hold their regular meetings.

The results of the examination campaign are scheduled to be forthcoming January 25 at NCHS; in other words, report cards will be given out on Tuesday, January 25. A six-week's grade and a semester grade along with the examination grade will be the new grades to appear on this report card. The semester grade is the average of the three six-week's grades and the examination grade tempered by the effort put forth during the semester.

When the report cards come out and there is an A, it covers grades from 93-100; B, 85-92; C, 77-84; D, 70-76; and E, below 70. The average grade in this grading scale is C. This scale is supposed to be used statewide.

The majority of NCHS students have one study hall each day. This fact means that most students will have one examination period with no examination. Mr. Jones says that students may stay at home till 10:30 a.m. If this period comes in the morning, or go home at 1:00 p.m. If this period comes in the afternoon, students must attend classes scheduled from 10:30 till 1:00 each day of examinations. He reminds students that first and second period

classes scheduled for Tuesday, January 18, are the first classes of the second semester.

Bobby James, a freshman, has moved to the county from Charleston, S. C., and joined the NCHS student body. He is the cousin of Sue and Eddie James.

Bennett Bryant and E. C. Butler have completed a replica of the Globe Theater, the eight-sided Elizabethan theater in which Shakespeare presented many of his dramas. Made of plywood, the model is two feet tall at the stage area. It has a thatched roof. The interior is complete showing stage, with three levels, three balconies around interior, and the open roof over the "grounding" area. The octagon-shaped model can be opened for viewing and is on display in the science display case.

The favorite outdoor sport at NCHS these days is watering the shrubs that were set out around the building before the holidays.

A bushel of iris bulbs will be planted around the building very soon.

Mrs. Futrell, guidance counselor, takes the prize around NCHS for her fresh and pertinent bulletin boards. In her office on a sign shaped like a traffic sign is this slogan: "Study carefully. The diploma you save may be your own." On the office door in black and orange are these words: "Warning: Tests Ahead. To proceed with confidence, study carefully, review regularly."
