DRINKING CUPS.
 Washington, D. C., April 26.—Arrangements have been made by the Southern Railway to furnish sanitary individual drinking cups to passengers on all trains and a large supply of cups of the collapsible paper has been ordered. As soon as the cups have been received each conductor will be furnished with a supply and any passenger desiring a cup will receive one free of charge on application to the conductor. Notices to this effect will be posted in each coach.
 Furnishing drinking cups to passengers on the large number of trains operated by the Southern Railway will involve a substantial expenditure which is being undertaken to provide for the convenience of patrons of the railway. All common drinking cups have been removed from trains in compliance with United States Government regulations and the statutes and ordinances of many states and municipalities.
 Hereafter passengers on Southern Railway trains will be put to no inconvenience or expense in regard to drinking water and at the same time will not be subject to any possible infection through the use of the common drinking cup.

BALSAM GROVE.
 Summer is coming and spring time is here. We have certainly been having some fine weather for farming. The people of this vicinity have been speeding the plows, planting corn sowing grass, and doing all kinds of farm work. Grass crops on Caney Fork are looking prosperous, wheat crops are exceedingly fine, apple crops look promising, the peach crop is almost a failure.
 Born to Mr. and Mrs. Western Phillips, a 31 pound boy.
 Born to Mr. and Mrs. John Corn, a girl.
 I am glad to report that the next County Singing Convention will be at Balsam Grove the third Saturday and Sunday in July.
 Miss Nelie Parker came home last week from Sunburst, where she has been staying with her aunt for some time.
 Miss Julia Hooper has been on the sick list for some time. She is improving some.
 Miss Huey Hooper has been visiting her father, Mr. Kit Zachary.
 Will Hooper went to the Odd Fellows' meeting last Saturday night, at John's Creek.
 The representatives from Sylva and Webster spoke on the court house question Thursday night at Balsam Grove. MOUNNAIN TIMES.
