

## BLACK-DRAUGHT OVER 30 YEARS

"Saved Me Many a Sick Spell," Says Texas Farmer Who Has Long Known Usefulness of Black-Draught.

Naples, Texas.—"I have used Theodore's Black-Draught for years—I can safely say for more than 30 years," declares Mr. H. H. Cromer, a substantial, well-known farmer, residing on Route 3 from here.

"I am 42 years old, and when a small boy I had indigestion and was puny and my folks gave me a liver regulator. Then Black-Draught was advertised and we heard of it.

"I began to take Black-Draught, and have used it, when needed, ever since. I use Black-Draught now in my home, and certainly recommend it for any liver trouble.

"I have given it a thorough trial, and after thirty years can say Black-Draught is my stand-by. It has saved me many sick spells."

Mr. Cromer writes that he is "never out of Black-Draught," and says several of his neighbors prefer it to any other liver medicine. "I always recommend Black-Draught to my friends," he adds.

This valuable, old powdered liver medicine is prepared from medicinal roots and herbs, and has none of the bad effects so often observed from the use of calomel or other powerful mineral drugs.

Black-Draught helps to keep the liver in trim, helping prevent or relieve such troubles as constipation, biliousness, indigestion, sick headache. Be sure to get the genuine.

### Non-Inflammable Films.

For some time back there has been on the market a non-inflammable motion-picture film, made of acetate of cellulose instead of the usual nitro-cellulose of celluloid, says the Scientific American. Because of the many dangers incurred with inflammable films, France has passed a law whereby all films used in that republic after June, 1925, must be of non-inflammable stock. Undoubtedly many other countries will soon enact similar legislation, making motion pictures safe.

## SINGS WITH JOY WHILE AT WORK

Mrs. Banes Says Tanlac Ended Indigestion, Sourness and Palpitations and Made Labors Light.

"Tanlac has helped me so much I wish everyone suffering like I did would follow my suggestion to use it," said Mrs. Sadie Banes, 2037 Washington St., Kansas City, Mo., the other day.

"Before I took Tanlac my appetite was so poor it seemed beyond cultivation, and the little I managed to eat gave me indigestion and caused awful sourness and palpitation. I was simply miserable from nervous headaches, dizziness and knife-like pains in my back, always slept poorly, and felt so bad that at times I just had to quit my housework and lie down.

"Tanlac was so well suited to my case that it has only taken three bottles, half of the full treatment, to restore me to perfect health. It makes me so happy to be without an ache, pain or trouble of any kind that I go about my work humming and singing. I just can't help rejoicing over what Tanlac has done for me."

Tanlac is for sale by all good druggists. Over 35 million bottles sold.—Advertisement.

## Is Just Like a New Baby Says Fond Mother

One of the most remarkable features about Teethina is the quick relief so often observed soon after giving it to a sick and fretful child. "In fact," continues Mrs. Murray, "I couldn't go to sleep at night without knowing I had Teethina in the house." Mrs. Murray states an important fact that should interest other mothers who worry because of their little ones' fretfulness. With Teethina at hand she can banish all fears and take her own rest with the assurance that baby is well guarded and is safe from trouble. ## Thousands Have Kidney Trouble and Never Suspect It

Applicants for Insurance Often Rejected.

Judging from reports from druggists who are constantly in direct touch with the public, there is one preparation that has been very successful in overcoming these conditions. The mild and healing influence of Dr. Kilmer's Swamp-Root is soon realized. It stands the highest for its remarkable record of success.

An examining physician for one of the prominent Life Insurance Companies, in an interview on the subject, made the astonishing statement that one reason why so many applicants for insurance are rejected is because kidney trouble is so common to the American people, and the large majority of those whose applications are declined do not even suspect that they have the disease. Dr. Kilmer's Swamp-Root is on sale at all drug stores in bottles of two sizes, medium and large.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper.—Advertisement.
