Balsam Springs Hotel closed one of its best seasons last Thursday. There were quite a number of guests at the close who were loath to leave our mountains just when they are prettiest, but not enough to justify the manager in keeping open longer, as the cost of running a large hotel is very great, especially with the present high cost of labor. Mr. Wells will return again next season.

Mrs. R. M. Keller, of Cullowhee, spent several days in Balsam last week looking after her farm near here.

Mr. Terrell, Principal of the Balsam School attended the Teachers' meeting in Asheville Friday.

Mr. Garrett Gunter was badly hurt one day last week while driving a team near Addie.

AN APPRECIATION OF A GOOD MAN

W. T. Crisp was here a few days ago from Gay, and stopped in for a chat with the editor of this paper. Mr. Crisp stated that he considers W. O. Buchanan one of the most remarkable men he has ever known. That he has been personally acquainted with Mr. Buchanan since 1861, when first he met him, as Mr. Buchanan was on his way to Franklin to enlist in Capt. Siler's cavalry company. "I have known him ever since," said Mr. Crisp, "and in all those years have never heard any person speak a harsh word about him." This is indeed an enviable record.

The last two months have been the best in the history of our business. The last 60 days have been the biggest volume of building materials ever handled by us.

Our towns and our county are growing by leaps and bounds; and we are growing with them, and helping them to grow by keeping step with the progress of our people, and by being ready with building materials they need, and at reasonable prices.
