## QUEEN-DELK

Tampa (Fla.) Tribune

There were many friends and relatives assembled in the Christian church of Eagle Lake at 8 o'clock Tuesday evening October 9th, when the wedding ceremony of Miss Ruth Delk and Mr. Edgar Queen was prettily solemnized, Rev. J. P. Jones officiating.

Mrs. Queen is the daughter of Mr. and Mrs. D. M. Delk, of Eagle Lake, and having lived here since childhood has hosts of friends both here and in surrounding towns who wish the happy couple a long life of happiness.

Mr. Queen was formerly of Sylva, N. C., but for some months has made his home in Eagle Lake and is a most popular young business man.

Mr. and Mrs. Queen left in their car for a short wedding trip to Daytona and other points on the east coast.

## MEETING CLOSES

The evangelistic services which have been in progress at the Baptist church, here, for a week, closed on last Sunday night, a very large crowd being in attendance at the closing service. "If you can't win, make the one ahead of you break the record" is a good slogan for Tarheel farm club members.

Make some brush dams in the gullies this fall and keep the fertile soil at home. Better still, prevent the gullies from forming by planting winter cover crops and by terracing, say extension workers of the State College.

Name the farm this winter. Circle Grove Farm sounds better than the "Old Latham Place." Looks nice on a letterhead, too.

Truck Chassis  
370

Flare board body type, ideal for packers, plumbers and others handling heavy merchandise. Body types to meet every hauling requirement can be supplied.

A dividend-paying business utility—a title the Ford One-Ton Truck has earned for itself through years of reliable service in diversified lines. Powered by the famous Ford Model T engine through the Ford planetary transmission and special Ford worm gear, it brings to the business man for his delivery service the abundant power, reliable operation, and real economy for which the Ford product is notable everywhere.

It carries its load day in and day out with a minimum of attention. In ease of handling adapts it for use in the limited areas about loading docks, warehouses and construction locations. Giving rapid, dependable hauling service at low initial cost, and at the lowest possible expense for operation and upkeep, it pays the highest dividends on the investment of any motor transportation equipment available to the business world.
