

**DOLLS! DOLLS
and More
DOLLS!**

Folks, Listen! Have you heard
That many Dolls are here
A-beckoning your little Jane
Or, perhaps, Alice dear?

Come bring her here to-day
And then-- watch her sigh
And plead for one of those that sleep
Or, maybe--those that cry.

Really, they are beauties
With their lustrous curly locks,
And their stylish lacy dresses
Quaint slippers--colored socks.

Aside from the "dressed-up" variety, we
have many other likable types. Character
Dolls with funny faces and in humorous
garments--just the kind the tiny tots en-
joy playing with. And also, "Knock-about
Dolls" that little boys like so well. At
mighty reasonable prices, too. So satisfy
your Doll needs here. Shop to-day.
