

NOTICE SHERRILL REUNION

The Sherrill Reunion for the Sherrills in the Western Counties of North Carolina will meet on the 4th day of July, 1927 at Whittier N. C. on the lawn of Mrs. Clyde Sherrill Rhodes. You and your family and friends are urged to attend this meeting and renew your acquaintance with your old friends and relatives. You will also invite any of the relatives of the Sherrills in your community to attend this meeting. It is on State Highway No. 10 and on the Southern Railway and therefore of easy access.

We will have an old fashion Southern Picnic Dinner. There will be talks on the genealogy of the Sherrills and if you will attend you will meet and know your people better. Remember the time is July 4th. Place Whittier, N. C. W. R. SHERRILL, Secretary.

CARD OF THANKS

Through the Jackson County Journal I wish to express my appreciation to each and every one of my friends for making my stay in the hospital much more pleasant than it would have been had not their pleasant visits, beautiful flowers and kind words given me great inspiration. It puts in your heart a song of praise to know that you have such dear thoughtful friends who are always with you in sickness as well as health. May God bless you all for your kind deeds and thoughts is my prayer for the kind doctors and nurses, the dear Junior O. U. A. M.'s and my Sunday school and the Coleman Cowan Bible Class and for every one who administered to me in any way. S. T. McGINNIS.

THE NATION'S BUSINESS

is founded upon commercial banking, its facilities, accommodations, and ease of operation. If business men did not have the daily co-operation of their bankers, they would not get very far. This bank stands ready at all times to work with you and for you.

Most certainly pedestrians have their rights—but when the other guy is in an auto—it's hard to get close enough to use them.

These short skirts flappers wear have made American men handsome—or, perhaps "good lookers" would express it better.

If variety is the spice of life then President Coolidge must be a well seasoned politician. One summer in the White Mountains—the next in the Black Hills.

Byrd now plans an air hop to—and return, with only a hour lay-over in Paris. It's—but some French official will go without his kiss this time.

Strange that with all the of honor bestowed upon—that none thought of an M. cause, like most of our doctors never starts anything he can't finish.
