MISSIONS CIRCLE NAMES NEW HEAD

The Carrie Rhodes Circle of the Methodist Woman's Society of Christian Service, meeting with Miss Lucille Wilson Monday evening, heard a talk on the work of Scarrit College, by Miss Sara McCracken, one of the teachers of the college and a discussion by Mrs. John Wilson Smith on conditions in India. Mrs. Smith's topic was "Time to Prepare."

During the business session Dr. Patsy McGuire resigned as chairman of the circle and Mrs. Paul Kirk was elected to take her place. A lovely gift was presented to Dr. McGuire by the circle.

Delicious refreshments were served by the hostess.

BUY WAR BONDS

IN THE INFANTRY they say—

TOP KICK for first sergeant
HEAD BUCKET for new steel helmet
CHOW for their food
CAMEL for their favorite cigarette

The favorite cigarette with men in the Army, Navy, Marines, and Coast Guard is Camel. (Based on actual sales records in Post Exchanges and Canteens.)

GIVE ME CAMELS FOR STEADY PLEASURE! THEY'RE EXTRA MILD... AND THEY'VE GOT PLENTY OF FULL, RICH FLAVOR

AND NOTE THIS:
The smoke of slow-burning
CAMELS
contains LESS NICOTINE

than that of the 4 other largest-selling brands tested—less than any of them—according to independent scientific tests of the smoke itself!

Last Call For Discount

August is the last month in which the taxpayers of the Town of Sylva can obtain a discount on their 1942 taxes.

The tax rate has been lowered this year from \$1.60 to \$1.50.

Save the discount and effect a still lower rate.

FROSTED FOODS

We have installed a Frosted Food Cabinet in our Market Department and will keep at all times a varied assortment of their products.

The government is demanding the greater part of the canner's pack this year, and we believe this will enable us to render a greater service to our friends and patrons.

Bomb 'em with JUNK

JUNK NEEDED FOR WAR
Scrap Iron and Steel

Needed for all machines and arms of war. Fifty per cent of every tank, ship and gun is made of scrap iron and steel.

Other Metals—Rubber—Rags—Manila Rope—Burlap Bags

Needed for making bombs, fuses, binoculars; planes; tires for jeeps; gas masks; barrage balloons; wiping rags for guns; parachute flares; insulation for electric wiring.

WASTE COOKING FATS—When you get a pound or more, strain into a large tin can and sell to your meat dealer.

NEEDED ONLY IN CERTAIN LOCALITIES—Waste paper and tin cans—wanted only in certain areas, as announced locally.

NOT NEEDED (at this time)—Razor blades—glass.

Let's blast Japan—and Germany—and Italy—with the chain lightning of destruction that can be built from the scrap in our cellars, attics and garages, on our farms and in our places of business.

Scrap iron and steel, other metals, rubber and waste materials. It will all be used to make tanks, ships, planes and the fighting weapons our boys must have. It is needed at once.

Sell it to a Junk dealer—give it to a charity or collection agency—take it yourself to the nearest collection point—or consult the Local Salvage Committee... If you live on a farm, and have found no means of disposing of your Junk, get in touch with the County War Board or your farm implement dealer.

Throw YOUR scrap into the fight!
