WEATHER CROP BULLETIN.

For the Week Ending Saturday,
October 20th, 1888.

CENTRAL OFFICE, AGRICULTURAL BUILDING, Raleigh, N. C.

RAINFALL.

The rainfall in all districts was below the average, with a very favorable effect upon all crops.

REMARKS OF SPECIAL CORRESPONDENCE.

Western District—Bat Cave, Henderson County.—"All crops favorably affected." Davidson College Mecklenburg County.—"The weather for the past week has been delightful. No rain, no frost. Farmers have made good use of the time." Charleston, Swain County.—"Fine weather for sowing wheat. From what I can learn, there will be twice the usual amount sown this year." Salisbury, Rowan County.—"Fine weather for seeding wheat and picking cotton. Cotton is short in the lint, and the yield will be unusually small."

It is a crime for men to prepare and advertise a worthless, inert remedy as a cure for terrible and chronic blood poison in hope that the sufferer will use a hundred bottles before he finds out its worthlessness, and yet there are some who do. Botanic Blood Balm (B. B. B.) is not a remedy of this kind. The first bottle begins to do good, and a cure usually follows before a dozen bottles are taken.

The following interesting bit of biographical information is from the examination paper of a small boy, "Abraham Lincoln was born in Kentucky in 1802 at the age of seven years."

J. L. Anderson & Co., Morganton, N. C. are running a large line of goods look up their locals.

Voter, remember that, under the Republican War Tariff now in operation, when you buy a dollar's worth of common earthenware, with the duty or tax added, you pay \$1.55. On a dollar's worth of cutlery—knives, forks, &c., you pay \$1.50.

Call at Royster & Martin's white front, and rig your self for the winter.

We are ready with the largest line of clothing in W. N. C. Our prices have no competition. Our fits are unsurpassed. Call, or send to J. L. Anderson & Co., Morganton and be convinced.

Happy All Round.

We have a Democratic President, a Democratic Cabinet, a Democratic House, a Senate which is on the verge of being Democratic, and now we have a Democratic Chief Justice. And still the country is safe. People are going on attending to business as usual, and everybody seems to be happy—Cincinnati Enquirer.

We have employed the services of R. N. Harris, a first class workman. Custom work and repairing done to order at short notice.
