

**That Little Ticking**

In your throat, which makes you cough in a while and keeps you continually clearing your throat, is a catarrh, and as catarrh is a local disease the ordinary cough medicines will not hit the spot. What you need is a constitutional remedy like Hood's Sarsaparilla. Many people who have taken this medicine for scrofula, loss of appetite, and other troubles, have been surprised that it should cure this troublesome cough. But to know the actual cause of the cough is to solve the mystery. Many cases of consumption can be traced back to the neglect of some such slight affection as this. Consumption can be controlled in its early stages, and the effect of Hood's Sarsaparilla in purifying the blood, building up the general health, and expelling the scrofulous taint which is the cause of catarrh and other troubles, is restored to perfect health. It is a cough which is a local disease, and it is a cough which is a local disease, and it is a cough which is a local disease.

It has been found in using smokeless powder that the heat generated is so intense as to melt the base of the bullet, fouling the barrel and rendering the heel of the bullet ragged.

**Radam's Microbe Killer**

The scientific men of today claim and prove that every disease is caused by microbes and they drive them out of the system and when that is done you cannot get sick again. No matter what the disease, whether it be Cholera, Typhoid, or Malaria, or any other disease, we cure them all at once, and we cure them all at once.

**Wonders**

Are wrought by the use of Ayer's Hair Vigor in restoring gray hair to its original color, promoting a new growth, preventing the hair from falling, keeping it soft, silky, and abundant, and the scalp cool, healthy, and free from dandruff or humors. The universal testimony is that this preparation has no equal as a dressing, and is, therefore, indispensable to every well-furnished toilet.

"I have used Ayer's Hair Vigor for some time and it has worked wonders for me. I was troubled with dandruff and was rapidly becoming bald; but since using the Vigor my hair is perfectly clear of dandruff, the hair has ceased coming out, and I now have a good growth of the same color as when I was a young woman. I can heartily recommend any one suffering from dandruff or loss of hair to use Ayer's Hair Vigor as a dressing."—Mrs. Lydia O. Moody, East Pittston, Me.

"Some time ago my wife's hair began to come out quite freely.

**Ayer's Hair Vigor**

not only prevented my wife from becoming bald, but it also caused an entirely new growth of hair. I am ready to certify to this statement before a justice of the peace."—H. H. Johnson, Westport, Iowa.

"Some years ago, after a severe attack of brain fever, my hair all came out. I used such preparations for restoring it as my physician ordered, but failed to produce a growth of hair. I then tried, successively, several articles recommended by druggists, and all alike fell short of accomplishing the desired result. The last remedy I applied was Ayer's Hair Vigor, which brought a growth of hair in a few weeks. I think I used eight bottles in two years; more than was necessary as a restorative, but I liked it as a dressing and have continued to use it for that purpose. I believe Ayer's Hair Vigor possesses virtues far above those of any similar preparation now on the market."—Vincent Jones, Richmond, Ind.
