These men can tell you why the 7TH WAR LOAN is the BIGGEST yet!

YOU ARE being asked to lend more money than ever before—in the 7th War Loan. These men can tell you why. They can tell you of giant ships ready to slide down the ways this year.

They can tell you of a whole new air force in the building—huge new bombers and fast new jet-propelled planes coming off the lines by thousands. They could show you why it is cheaper and

quicker to give our Pacific Forces entirely new equipment sometimes—instead of shipping tanks and guns from Europe. They can, in short, show you 101 ways in which your dollars are needed more than ev-

er to bring America's might to its full strength—so that we may crush our foe the faster, make an end of killing, and bring our men back home.

Will you tell these men "I can't afford to buy my share"?
