## Legion's Poppy

(Continued from page 1)  
symbol of the sacrifices of their dead comrades.

"It was a poet who first gave expression to the idea. Soon himself to lie beneath the poppies, he wrote: "In Flanders fields the poppies blow, between the crosses, row on row."

"Even before the men had returned from war, the perfect little poem of Colonel John McCrae had winged its way around the world carrying the picture of the poppies. Returning soldiers brought the vision of the poppy fields back with them, engraved indelibly in their hearts with the memories of the comrades they had left on the battle-front. Spontaneously the poppy took on a sacred significance. It became the flower of remembrance for the remembrance for the men who had poured out their life's blood around the roots of the little plant.

"Memories of the war dead always bring thoughts of those who did not die but came back doomed to years of hardship and suffering, sometimes worse than death. In the poppy was found a way to link the honoring of the dead with service for the living victims of the war. Soon after the war patriotic organization in different countries began to conduct sales of poppies made by disabled veterans, to raise funds for relief work among suffering ex-service men and their families. A double significance became attached to the poppy. Wearing the little flower came to mean honoring the dead and helping the living.

"The poppy also became the memorial flower of the British Legion. Other American Veterans' organizations followed The American Legion and Auxiliary in adopting it as their official flower of remembrance. Soon many millions of the little red flowers were being worn each year in all parts of the English-speaking world, to honor the World War dead and to aid the World's living victims.

"The nation-wide sale of memorial poppies was begun by the Legion and Auxiliary in 1921. At first

silk poppies made in France by French Widows and orphans were used. In 1922 the first poppies made by American veterans were produced in the hospitals of Minnesota, and this work has steadily expanded until poppies are being made in more than fifty hospitals and disabled veterans' workrooms in forty different states.

"By 1924 it was seen that the poppy program lent itself more naturally to the work of women than the men, and The American Legion gave the Auxiliary complete charge of the national program. This was a heavy responsibility. Wearing the flower was the nation's annual tribute to the World War dead. From the distribution of the flower came a large proportion of the welfare and relief funds of both organizations.

"How well the Auxiliary measured up to the responsibility placed on its shoulders is shown by the development of the poppy program. Each year approximately 13,000,000 Americans wear Legion and Auxiliary poppies in tribute to the war dead, contributing for the flowers over a million dollars for the welfare of the war's living victims."

## Fall Of Berlin

(Continued from page 1)

Nearly 1,000,000 troops of German and Italian Fascist armies in northern Italy and western Austria surrendered unconditionally to Allies, ending bloody Italian campaign and baring southern flank of Nazi redoubt.

British capture of Luebeck and American-Russian junction on Elbe north of Berlin has split northern Germany into three pockets, sealing off German escape gap to Denmark. Field Marshal Karl von Rundstedt, commander of unsuccessful German breakthrough last December, has been captured by Seventh Army; U. S. Third and Seventh armies have virtually completed conquest of Bavaria with drive toward Linz and closing of Inn River front opposite Braunau.

## Ten Dollars Won By Soldiers For Toughest Job

Corporal Romie Green Saves Frightened Kid In Foxhole.

To Cpl. Romie Green, 25, of Allensville, a Negro soldier, now in Germany, son of Ollie and Mary Green, has gone a ten dollar award for his account of "My Toughest Experience in Service," comforting a frightened nineteen year-old Pfc. in a shell-hole during a heavy German bombardment.

Cpl. Green, in service four years and a graduate of Person County Training school, formerly was with the Canton, Ohio, plant of Westinghouse Electric and Manufacturing company, and the story of his experience in the foxhole is related in the KP publication of the Westinghouse company, which has sent the award to Cpl. Green.

Cpl. Green writes "One evening at 1700 we received orders to move. All hell broke loose as we were pinned down by shells from German 88s. We were right in the middle of a duel between our own artillery and the big guns of the enemy. Burning through the night, shells fell within inches of our fox-

chief of the former Vichy government, was interned today by the Spanish government and an official spokesman implied he would be turned over to the United Nations on demand.

London, May 2.—Fuehrer Adm. Karl Doenitz fired Nazi veteran Joachim Von Ribbentrop as German foreign minister today 24 hours after succeeding Adolf Hitler, and named British-educated Finance Minister Count Ludwig Schwerin Bon Krosigk to replace him in apparent preparation for early peace negotiations with the Allies.

## Graham Named Head Of State Road Commission

Raleigh, April 30.—A. H. (Sandy) Graham, Hillsboro attorney and former lieutenant governor who actively campaigned for R. Gregg Cherry for the Democratic gubernatorial nomination, was appointed today as chairman of the State Highway and Public Works Commission at a salary of \$10,000 a year. Graham was a candidate for Governor in 1936. He ran third in the first primary, preceded by both former Gov. Clyde R. Hoey and Ralph McDonald.

Governor Cherry also renamed these commissioners: John G. Clark of Greenville, oil dealer, Second District; Dr. Guy B. Gooding of Kenansville, practicing physician, Third District; John N. Hackney of Wilson, truck body manufacturer, Fourth District; George W. Kane of Roxboro, general contractor, Fifth District; and T. Max Watson of Forest City, merchant, hosiery manufacturer and operator of a textile manufacturing plant at Spindale, Ninth District.

The post of chairman formerly paid \$7,500 a year but a new statute authorized the Governor, with approval of the advisory budget commission, to fix the salary of the new chairman. The salary was set today.

holes, spraying dirt and stones over us.

"Shortly after a long burst of fire, someone jumped in my foxhole. I grabbed my bayonet and then I heard a voice. 'Cpl. Green! Save me—you got to save me!' I clamped my hand over the mouth of the frightened Pfc. who was the kid of our outfit—just 19 and small. I told him not to worry since for every shell the Germans sent over, our boys sent 10. The kid stayed by my side all night long.

"At dawn we heard sweet music—the roar of P-47s. After they went over the 88s were silent. We were lucky—we hadn't lost a man, but we did have the 88 blues."

## Person Overseas

(Continued from page 1) with music by the Roxboro high school band.

Adult War Bonds Premiere will be held on the same night at the Palace Theatre, where to feature "Without Love" will be shown twice, first at 7:15 and again at 9:15. Co-chairman with Mr. Griffin in Roxboro is R. L. Harris, with Miss Clair Harris heading the woman's division.

The War Bond drive in the schools is being speeded up because schools will be closed this month.
