THE DAILY TAR HEEL CLASSIFIEDS
Valentines

Chad
 From the laundry room, to the couch, on long walks, carriage rides, the water bed, the tube, and now Valentines Day, we've come a long way baby! I love you, Lisa.

EVIE
 Happy Valentine's Day to my one and only on her favorite holiday. Love, a goofy Colorado guy.

PUPPY
 I was a lonely mutt until you came sniffin'. Can't wait to visit your NC doghouse this summer (and forever).

Bad Dog from Silver Spring

Cathy
 Gold medallions and a white jumpsuit, aloha from Hawaii and fried chicken to boot, you're my 'cilla and I'm you man. Besides myself you're my biggest fan. You're an angel sent from above and I'm you hunka' hunka' burnin' love. I'd rather have you than a jelly doughnut. I'd even have my sideburns cut, velvet paintings and a cadillac car. Put your arms around my middle. It's not that far so on Sunday won't you be mine? Because I love you and "VIVA" Valentine! **The Big E**

CYBORG SONNET
 I'm in love with a guy called the Philinator/ He's not an evil cyborg, nor the future's evil traitor./ In his shades and leather jacket he carouses UNC/ His backpack filled with books on genetics and chemistry./ He's a tall, strapping lad, whose feet are size thirteen/ I'd like to know him better, if you know what I mean./ Philinator's a gentleman with no deficiency of honor/ I yearn to be his friend, his babe, his little Sarah Connor/ Together we'd conquer Skylab in a union so divine/ If he'd just say, "I'll be back" and be my Valentine. Hasta la vista baby, Bomber.
