OMNIBUS

THE DAILY PAPER HEEL WEEKEND MAGAZINE

Shadow Drivin'

*Bill Murray and pal Phil
the groundhog drive
audiences wild in their
new flick. See Andrew
Crook's review.*

PAGE 7

LIGHT METAL

(With apologies to Steppenwolf)

Get your pedals pumpin'

Head out on the bike lane

Lookin' for exercise

And some cheap transportation.

Yeah, Omni's gonna make it happen,

Gonna examine the new biking craze.

Drop whatever you're doing now and

Turn to the fourth or fifth page -

And see the true, total appeal

Of those who were born, born to be wheeled.
