

Best Place to Shop on the Web:

Winner: E-bay • 2nd: J.Crew • 3rd: Amazon

For the third year in a row, UNC students showed off their competitive streak — as well as their predilection for vintage T-shirts, obscure records and 1980s memorabilia — by naming E-bay their favorite place to shop on the Internet. Better hurry though — the set of six frog figurines sitting on toilets is going fast.

Pickup Line:

In your best efforts to combat UNC's notorious ratio, the men on campus have come up with some winning contributions to the dating scene. Ladies, if you hear these at Players tonight, don't blame us.

"You must have overdue books, because you have fine written all over you."

"What are my chances of going home with you?"

"Are you a model?"

"If I were a battery and you were a potato chip, I'd be Eveready and you'd be Frito Lay."

"Can I hold you?"

Favorite Place to People-Watch:

Winner: The Pit

Now that student elections are over, it's finally safe to return to your favorite scoping-the-scene spot without fear of being drowned under a sea of campaign fliers. If you stay there long enough, you'll probably get a pretty good glimpse of UNC life. Watch out for the Pit Preacher, though.

Most Interesting Mixed Drink:

Winner: Sex on the Beach and Holy Grail (tie)

Honorable Mention: Midori Sour

Grabbing a Sex on the Beach from Spanky's or 23 Steps prevents uncomfortable chafing as well as morning-after awkwardness. And although you might think you're seeing your soul mate through your beer goggles at Players, the real end of your searching is their Holy Grail, your favorite drink yet again.

Cleanest Bar Bathroom:

Winner: Lucy's/Top of the Hill (tie)

If you gotta go and you're in search of a place with an actual toilet seat, check out these posh restaurants/bars. Hey, you deserve two-ply toilet paper.
