### For Rent

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging

**Aries (March 21-April 19)**  
Today is a 6 - You may have a reputation for being quick to take action, but you can restrain yourself. Do that now. You can afford to be cautious.

**Taurus (April 20-May 20)**  
Today is a 7 - Sit back and see what happens. It's likely a taste will arise. If you're in a good position, you can grab a great opportunity.

**Gemini (May 21-June 21)**  
Today is a 6 - Stick to your agenda and don't let yourself get distracted. If you lose interest, the others will, too, and that could be a disaster.

**Cancer (June 22-July 22)**  
Today is a 5 - You're familiar with the concept of making do with what you have. This is how you keep your money in the bank. Do that again.

**Leo (July 23-Aug. 22)**  
Today is a 5 - Last when you think you have everything under control, a new challenge presents itself. Ah! That's just the way life goes? You can conquer this one without breaking your stride.

**Virgo (Aug. 23-Sept. 22)**  
Today is a 7 - Things have changed. It's time to check into the current situation. By staying on top of the news, you'll know which way to run, if necessary.

**Libra (Sept. 23-Oct. 22)**  
Today is a 7 - It's important to have the technical stuff you need to work efficiently. Don't blow your entire allowance, however, on something that chases and chases (unless you're in the catering business).

**Scorpio (Oct. 23-Nov. 21)**  
Today is an 8 - Continue to gather data from every nook and cranny. You'll be well rewarded for your efforts. You could find a treasure.

**Sagittarius (Nov. 22-Dec. 21)**  
Today is a 6 - There are so many opportunities. It's hard to know where to start. Actually, the best idea is to begin by finishing up.

**Capricorn (Dec. 22-Jan. 19)**  
Today is a 7 - Consult with people who already have the experience you lack. Don't vented wide-eyed into a dangerous situation - that's no fun at all.

**Aquarius (Jan. 20-Feb. 18)**  
Today is a 7 - Don't be shy, speak right up. Let people know what you need. They're not exactly mind-readers, you know. Well, maybe some of them are.

**Pisces (Feb. 19-March 20)**  
Today is a 7 - You had a picture in your mind of how things ought to be. New information leads to new pictures, though. Allow yourself to be convinced.
