Death of Mr. O. B. Renn.

God in his goodness saw fit to enter the home of Mr and Mrs A. H. Renn, and claim their only son, Oris Buck Otis was just entering manhood, being 19 years old last September. He had been off for his health, but to no avail. He was at home a little over two weeks before death claimed him. While alive he gave his heart to God, but never joined any church. He was a kind and polite boy. I had known him for a number of years, and always found him ready to do someone a favor or kindness. He leaves behind to mourn his death father, mother and one sister, Lizzie. One of his sisters died last year. The burial service was conducted at Gray Rock Church Tuesday, March 18, by Rev. L. H. Joyner.

The pall bearers were Messrs A. P. Overton, J. A. Tunstall, Jim Howell, Eric Floyd, Nat Brummitt and Mr. J. T. Sizemore Jr. of Oxford. The burial offerings were beautiful. L. B. O.

A GENEROUS OFFER.

Your Money Refunded if Parisian Sage Doesn't Banish Dandruff.

Pretty strong talk, perhaps you will say, but it's honest talk, every word of it, because if I was not absolutely certain, if I did not know from actual results obtained I could not make such a generous offer. Parisian Sage can now be obtained in every town in America.

It is guaranteed to stop falling hair and itching scalp. It is the ideal, delightful, rejuvenating hair dressing that makes the hair grow in abundance. Parisian Sage is a prime favorite with women, because it keeps the hair brilliant and fascinating, is daintily perfumed, and is not sticky or greasy.

The price of a large bottle is only 50 cents at J. G. Hall's, who guarantees it. Sold everywhere, or direct, all charges prepaid, by American makers, Girux Mfg. Co., Buffalo, N. Y.

IN HENDERSON.

Statements of Henderson Citizens Are Always of Interest to Our Readers.

To many of our readers the streets of Henderson are almost as familiar as those of our own town, and we are naturally interested to read of happenings there. The following report from a well-known and respected resident will be helpful to numbers of men and women here in Oxford.

O. P. Wortham, Garnet street, Henderson, N. C., says: "Weak kidneys troubled me a great deal and the kidney secretions were too frequent in passage. I suffered constantly from backache and pains across my loins and I felt all run down. Doan's Kidney Pills entirely relieved the aches and pains. The testimonials I have given before, still holds good."

BAUGH'S ANIMAL BASE FERTILIZERS

The distinct originality of process and the technical successes of these new methods in the manufacture of the Baugh fertilizers, adopted by individual thought and action, nearly three score years ago, have, without interval been maintained and advanced by the same personal oversight and determination.

This statement may be rendered more forceful by the additional word, that correct principles of business and good faith with farmers and dealers have, likewise, been an abiding policy.
