Buy on Test and PROOF!

TEST No. 1

Never mind the "high pressure" sales talk—insist on making the 1-2 TEST and getting the PROOF before you buy your tire.

Come into our store and make the 1-2 Test for yourself. See the Goodyear Tire demonstrate before your very eyes the definite superiority of both (1) TREAD and (2) CARCASS. So simple a child can understand:

Test No. 1: Press your palm down on the Goodyear All-Weather Tread and feel how the deep-cut sharp-edged blocks grip and pinch the flesh. That is what the Goodyear Tread does on the surface of the road, and why it has superior traction.

Test No. 2: This machine shows you the 60% greater stretch in Goodyear SUPER-TWIST Cord. This extra stretch gives the Goodyear Supertwist Carcass its extra life, enabling it to withstand road shocks and continuous flexing without premature failure.

Proof: More people ride on Goodyear Tires than on any other kind.

Let us explain to you the new Goodyear Lifetime Guarantee.

We carry the complete line of Goodyear Tires—every Goodyear made with SUPERTWIST and every Goodyear guaranteed against defects for life—the size and type and price that suits your needs and purse. Our standard Goodyear Service always ready for you.

It does not cost more to buy a Goodyear Tire
